

### Dear Colleagues,

We understand that many of you have had problems with delegate registration and lack of response to e-mails sent to the organizing committee. Many of you are also asking about how to deliver your full paper.

The reason is extended sick leave in the organizing committee. We sincerely apologize for any inconvenience this may have caused you.

However, from this week we have a new contact person at MCI, Maud Wirén. She will be responsible for administration of incoming questions. Use the same e-mail address: **confirmation@mci-group.com**

Concerning the format of the full paper, we will publish guidelines in the next few days.

As a consequence of these delays we have decided to:

- Extend the early bird fee until **July 31**
- Extend the last day for delivery of the proceedings until **Aug 31**

### We hope to see you in Stockholm!
